

Community Outreach

Flexible services & supports to individuals (and their families) living in the community who have experienced violence or abuse.

Available free of charge to all genders to assist in developing transition plans to live safer lives.

- Risk assessment & individual safety plans
- Assist with navigating systems (legal, financial, housing, health, immigration etc.)
- Connection to resources and supports in the community
- One-to-one support and advocacy
- In person, on-line or by phone

519-642-3003 ext. 5555 or outreach@anovafuture.org

“Knowing that there were people out there to help me get through what I was going through. The understanding and care is/was amazing. I am grateful.”

Our Outreach Program served 461 clients in 2021-2022 including 531 children who were also indirectly supported by the program

“She made me feel like I had a purpose in life and that I’m not alone, always made me feel like family. I loved working with my counsellor.”

To help us continue to offer these services, please click DONATE on our home page and select our Outreach Programming Campaign!
